ACCESSING AND USING THE MEMBERS AREA

Each breed website has a member login tool, allowing members to complete and submit calf registrations and performance data.

Logging in:

When you sign up with your breed society, you will be sent a username and password for your members area.

- Your **username** is your Herd ID number

- Your **password** will be sent to you, if you forget your password, please contact the PBB Registry team to reset this for you.

Authorisation Required

Please provide a Member I.D. and Password. Fields marked with an asterisk(*) are required, others are optional

* Member I.D.:	
* Password:	
To change your password, enter your Member I.D. and current password above and your new password below.	
New Password:	
New Password Validation:	

Clear   Signon

Find the word login or member login on your breed society website and enter your username and password on the screen that appears like this.

What your members area can do

ONLINE OPTIONS	DESCRIPTION
ANIMAL ENQUIRY	Use this function to search for details on a particular animal, including genetic test results and EBVs. This area will also allow you to view all animals under your ownership, when logged in.
EBV ENQUIRY	Use this function to search by a specific trait or to view EBVs on a particular animal
MATING PREDICTOR	Use this function to generate and compare potential EBV's for progeny of a hypothetical mating between a sire and dam
SALES CATALOGUES	View online sales catalogues for your breed
ONLINE TRANSACTIONS	The hub for submitting all your weights, calf entries and completing your Active Dam Lists from pre-built worksheets. You will need to contact registry to have these sheets pre-built for you if they aren't appearing.

For specific instructions on how to use online transactions for calf entries, weight recording and completing your Active Dam List, refer to the tip sheets and tutorial videos on the PBB Registry page: **Registry » PBB - Performance Beef Breeders (pbbnz.com)**
